

# Who's in Your Group?

## AND HOW DO THEY MANAGE RISK?

### Scott Group Captives. A Select Group of Select Companies.

Your current carriers, and the companies they insure, may not view risk management like you do. But how would you know for sure? What are their selection criteria? Who are they? If you're uncertain about the differences between traditional insurance and Group Captives, Scott can help make the differences – and the rewards – clear.

Scott Group Captives are highly selective. They share Scott's "embrace risk" philosophy in order to turn premiums into profits. It's a philosophy built on more than 100 years of expertise and experience. To get the clear facts on Scott Group Captives, call us today. Scott. Clearly captivated by risk.
