*Southwest Virginia*

## Ideal meeting location. Excellent customer service.

Exceeding expectations through customer service has spiraled Wytheville Meeting Center into being the leading conference facility in Southwest Virginia. Its location at the intersection of Interstates 81 and 77 also contributes to the popularity of this five-year-old facility. It is convenient to surrounding states for corporate, government and association meetings and events.

The Evansham Ballroom accommodates up to 1,000 theater style or 500 in banquet seating. The facility also includes three smaller breakout rooms, a conference room, a large pre-function lobby, and the latest audiovisual technology.

But customer service is what sets the facility apart. *"Our experiences at your facility were second to none. The staff was professional, courteous and went beyond the call of duty on several occasions. The facility was neat, clean and appropriately setup."* B. Kevin Meredith – Engineering Design Systems, Inc.

With a variety of accommodations located adjacent to the Wytheville Meeting Center, a great selection of dining, and interesting assortment of attractions including dinner theatre, museums, outdoor recreation and wineries, Wytheville, Virginia, offers an ideal location for single and multi-day meetings and events.
