Trust your meeting to Hilton

Meetings bring people together in important ways. Whether it is a planning retreat, training for a new product launch, a large annual meeting or rewarding your highest performers, you can rest assured that your attendees will enjoy their stay at the Hilton Virginia Beach Oceanfront. And you can rely on our flexible meeting space, experienced sales, conference and catering staff who work closely with you to customize the elements of your meeting.

Spectacular ocean view and oceanfront meeting settings and our state-of-the-art technology will inspire your teams' efficiency and effectiveness. Refreshing break services, working lunches, maybe a lobster bake on the beach, all can be planned by our culinary experts to bring exceptional creativity and unforgettable food and beverage presentations to your event. And the special event locations on-property alone will lend many ways

to host a unique reception, perhaps rooftop in our Sky Bar, or consider reserving our entire conference facility with the adjacent Neptune's Park and beachfront for larger events up to 1,000 people. You've come to the right place and can plan with confidence knowing all the little details will be attended to professionally.

Your guests will be comfortable in any of our 289 luxuriously appointed rooms with high-speed Internet access and the "Suite Dreams by Hilton" bed. VIPs can be indulged in the Em-pyrean Club, our "hotel within a hotel" with special keyed access to the top three floors of the hotel with its exclusive Club Lounge.

Networking is made easy with our great line-up of restaurants, Catch 31, with its fresh fish focus, and Salacia, Virginia's only AAA Four-Diamond steakhouse, plus our popular outdoor patio service and ocean view fire rings. For shopping, exploring and other dining options, many entertaining choices are afforded to our guests just outside our doors, compliments of our Virginia Beach boardwalk location and 31st Street Neptune's Park proximity. We look forward to working with you soon to bring your people together to accomplish something important.
