Wytheville Meeting Center
Wytheville

The hub of Southwest Virginia

"Wytheville...there's only one." Only one in Virginia, the United States, and the world. A rural town, nestled in the Blue Ridge Mountains, Wytheville is the hub of Southwest Virginia. The intersection of two major interstates allows Wytheville to be easily accessible to those traveling any direction – north, south, east, and west.

The Wytheville Meeting Center proudly hosts over 500 events each year in a 14,000-square-foot, state-of-the-art facility offering advanced audio visual, break services, breathtaking views of the mountains and the desire to continually exceed expectations. The Evansham Ballroom allows theatre seating for up to 1,000 and banquet seating for 500 or it can be converted into three separate spaces. There are three smaller meeting rooms for breakout sessions or smaller events and a conference room for boardroom-like

meetings. Each room is equipped with an overhead projector, screen, sound system, and capable for telephone and video conferencing. Between the Evansham Ballroom and the Meeting Rooms is a 2,000 square-foot pre-function lobby. From morning and afternoon breaks to full-course meals and elaborate receptions, the Wytheville Meeting Center and our approved caterers make each event deliciously special.

The Wytheville area is genuine, historic and kindly hospitable. The small town offers over 1,700 hotel rooms, in-

cluding a restored luxury boutique hotel and more than 70 restaurants, many of which are locally owned and operated. Dozens of significant, historic and local attractions are nearby, including area-based museums, historic mansions, a dinner theatre, an herb farm, wineries, an animal park and an Indian village. Annual festi-

vals, live music performances, and various area events give visitors a glimpse of everyday life in Wytheville. Antique malls, specialty shopping and local arts and crafts can be found in Downtown Wytheville and throughout Wythe County. The Wytheville area is home to the New River Trail State Park, Crystal Springs Recreation Area, and Big Walker Mountain, where each offer hiking and biking trails for diverse experience and adventure ranges.

With endless possibilities in Wytheville...no wonder there's only one!
