

*Southern Virginia*THE INSTITUTE CONFERENCE CENTER  
Danville

## High-tech meeting facility away from the stress of big cities

The Institute Conference Center at the Institute for Advanced Learning and Research is the premier conference and meeting facility in Southern Virginia. The ICC offers a fully equipped, high-tech setting in the countryside away from the hustle and bustle of larger cities.

As a member of IACC (International Association of Conference Centers), The Institute Conference Center offers 25,000 square feet of state-of-the-art meeting space. Some of the features include an 8,400-square-foot flexible Great Hall, a 135-seat tiered surround sound auditorium and a beautiful glass atrium. The business facilities offer numerous amenities including, an Executive Boardroom with seating for 30, and three perfectly appointed business con-

ference rooms. From executive and professional training, to workshops, trade shows, receptions, wedding and family reunions, the ICC offers options that will satisfy all of your meeting needs.

The Institute Conference Center technologies include wireless microphones, satellite and flat-screen televisions, videoconferencing, Polycom MGC video bridge, Web conferencing services, teleconferencing, SMART boards, and Mediasite recording.

The warm and friendly staff will plan the menu for your next event and make entertaining an effortless and memorable experience. The Conference Center team is dedicated to providing superior customer service and looks forward to welcoming you to Southern Virginia.
