

THE BOAR'S HEAD

Charlottesville

Central Virginia

The Boar's Head provides tranquil escape

At The Boar's Head every meeting is a breakout session with 573-acres of endless views, walking paths and lakes complimented by high-tech facilities. Business as usual is cooking classes held in the kitchen with our chefs, cardboard regattas or donating a day to build a Habitat House. Hold a regional sales meeting or roll out an internal initiative on the veranda, on our manicured lawns, poolside, or in 22,000 square feet of classic meeting space uniquely suited to your needs. Many of our private function rooms offer special features such as fireplaces and other residential-style appointments. Our catering managers help plan and coordinate everything from the preferred water you drink to even the most complex privacy/security details.

The Boar's Head offers 170-rooms featuring poster beds; including 11 suites ideal for guests who appreciate additional space and amenities. The

resort also offers balloon rides embarking out our front door and private wine tours. Spa services, public Audubon-certified golf course and a sports/fitness center boasting 26 indoor and outdoor tennis courts are also available on this Top 50 U.S. Tennis Resort.

Forget the usual continental breakfast; cuisine at The Boar's Head is unforgettable. With inspired interpretations drawing on Virginia's history, our chefs design refreshing menu selections with impeccable flair unique to your event, utilizing the freshest offerings of the Central Virginia region. Enjoy cocktails in the Bistro, smoothies at The Café and extraordinary views at Birdwood Grill. Savor AAA Four-Diamond dining in The Old Mill Room, the only restaurant in Virginia to have retained the coveted Four-Diamond award for 23 consecutive years.

The Boar's Head is the ideal destination for successful, memorable meetings and executive retreats at an incomparable value. From check-in until we say "Thank you and please come again," our staff is anxious to serve you.
