VIRGINIA BEACH CONVENTION CENTER

Virginia Beach Convention Center offers innovative meeting space

Just blocks from the beach and in the heart of Virginia Beach's oceanfront resort area, the Virginia Beach Convention Center (VBCC) is over 500,000 square feet of state-of-the-art, stylish event space. As the Nation's first and Virginia's largest convention center to earn LEED® Gold certification from the U.S. Green Building Council, we are as committed to conserving our environment as we are innovative.

The VBCC is situated among beautiful Mid-Atlantic beaches, resort hotels, family attractions, golf courses, shopping and nightlife. We are within a day's drive from two-thirds of the U.S. population and fewer than 20 minutes from Norfolk International Airport, which services over 200 flights daily.

Our exquisite facility features fabric, metal and wood wall coverings and high-quality carpet, which provide a unique ambiance. Attendees and visitors will en-

joy enticing views from the 147-foot glass tower, which hosts the Café, Executive Board Room, VIP Lounge and Observation Deck.

From trade shows and meetings to receptions and corporate holiday parties, our coastal facility creates the perfect atmosphere for every occasion. Your event needs are second-nature to our dedicated professionals who are ready to accommodate you in our first-class facility. Like the sand and sea that surrounds us, the Virginia Beach Convention Center is a natural fit for your event needs.
