Southwest Virginia

Wytheville – Your Ideal Meeting Location

With an array of attractions, new hotel properties and sophisticated meeting space, Wytheville offers a small town location ideal for local, regional, and state meetings and conferences.

Since opening in 2007, the Wytheville Meeting Center has developed the reputation for exceeding customers' expectations while providing a venue that offers spacious and sophisticated meeting spaces for clients' needs from small, intimate meetings to large multi-day conferences. With an emphasis on technology, this facility offers seamless meeting experiences with the hospitality and customer service that visitors to this Southwest Virginia community have come to expect.

A variety of attractions offer great activities for meeting attendees and their families. History buffs might tour one of the area's five museums, including the Edith Bolling Wilson Birthplace, home of this early 20th century First Lady.

Beagle Ridge Herb Farm is a 160-acre wooded retreat with display gardens, trails and a brand new butterfly house. Meet animals from six continents during the "Outback" guided experience at the 45-acre Fort Chiswell Animal Park. Nearby Pleasant Hill Farm offers over 50 flower beds for a "cut-your-own" experience in a farm setting.

Located on a fourth generation homestead, West Wind Farm Vineyard Winery offers handcrafted Virginia wine with daily tasting and tours. For evening entertainment, don't miss the latest production at Wohlfahrt Haus Dinner Theatre. Presenting "All Musicals, All the Time", this venue offers evening and matinee performances in a German village architectural setting.
