THE NATIONAL CONFERENCE CENTER

Leesburg

## National Conference Center focuses exclusively on meetings

The National Conference Center is one of the nation's largest and most comprehensive conference facilities. Here the focus is *exclusively* on meetings and training—so you can count on this dedicated, IACC-approved center to train your people to work faster, smarter and better. For corporate, association and government clients, the National Conference Center advantage is clear:

### A True Learning Environment

The 265,000-square-foot meeting facility accommodates large and small groups in a setting free of the distractions typically found at a hotel or resort. This business-focused atmosphere creates optimal learning for your attendees.

### Outstanding Value

The center's Complete Meeting Package saves time and money by including everything for your meeting in one low rate:

- Guest room
- Three meals daily
- Conference room(s), break-out rooms, meeting setups
- Standard AV package
- Continuous refreshment breaks
- Dedicated conference planner
- Use of fitness center
- Free parking

Day Meeting Packages are available, as well as upgraded breaks and dining options.

### Exceptional Facilities & Technology

A flexible layout allows groups to have guest rooms and meeting space close by, ensuring productivity and privacy. On-site audiovisual equipment and support include high-speed Internet access via a DS-3 Circuit, a professional meeting support team and a staffed business center.

### Accommodations, Dining & Recreation

The National Conference Center features comfortable guest rooms and suites, plus a dining room serving breakfast, lunch and dinner. Guests also enjoy the sports bar, wine lounge, fitness center and jogging trails. For corporate events, West Belmont Place provides an elegant environment, including the National Ballroom, the largest in Northern Virginia.

### Award-Winning & Green-Certified

The center's commitment to productive, results-oriented meetings has been recognized by numerous Pinnacle Awards and certification from the International Association of Conference Centers. It is also Green Seal-certified for using environmentally responsible products and practices.

### Convenient Location

Located on 110 scenic acres in Leesburg, Virginia, The National Conference Center is just 12 miles from Dulles International Airport and 45 minutes from Washington, D.C.

when you try to do too many things well,  
you rarely do any of them well at all.

When choosing a location for your training needs, don't look for one that tries to be all things to all people. Look for one that specializes in just what you need for the most successful training possible—a focused environment, free from distractions. Of course, the National Conference Center offers a comfortable, enjoyable stay. But with less fanfare.
