

COLONIAL WILLIAMSBURG

Williamsburg

Hampton Roads Peninsula

Our secret to successful events. Revealed.

Colonial Williamsburg has been hosting successful events for years. And we pride ourselves on exceeding expectations. But the truth is, sometimes we just have to say *no*. Like no, we won't skip a detail, even the most minuscule one. Or no, we won't settle for mediocre, from the high-tech services we provide to the mints on our pillows. No, your event won't be just like last year's, it will be better. We confidently say no to average. To inflexibility. To the same old routine. Yes, that's our secret to success. Something we *know* quite well.

If square footage is just the beginning, we make a grand entrance. We offer over 67,000 square feet of updated, flexible space — comfortable and elegant and equipped with up-to-date technology such as Wi-Fi and the latest audiovisual equipment. From over-the-top to quaint and intimate, we have the space and budget flexibility to make it happen. The Virginia Ballroom is large enough to host full-scale concerts. The Williamsburg Woodlands Conference Center can handle large corporate events and grand galas with ease. And the Williamsburg Inn conference site's more intimate space has played a part

in many unforgettable events.

So you've just hosted the biggest and best event ever, now what? Your guests can literally walk to their rooms, freshen up, and then take a nice stroll to dinner. With our campus-like setting, it really is that easy. And our incredible variety of lodging options make planning a breeze, too. The Williamsburg Inn creates that home-

away-from-home experience in an unparalleled luxury atmosphere. The Inn's guest rooms average 500 square feet and feature English Regency-style furnishings. The Williamsburg Lodge surrounds guests in a cozy, Southern family home ambience. It features Abby Aldrich Rockefeller Folk Art Museum-inspired furnishings. The Williamsburg Woodlands Hotel & Suites is another great option, with suites that include a comfortable lounging room.

Just outside their doorstep, there are 20 restaurants within walking distance. You can plan for a large catered dinner or guests can pick and choose their own dining experiences. And downtime is no different. There are three award-winning golf courses to play on, eight tennis courts, five pools and a full-service spa known for the most blissful massages on the planet. For the shop-till-you-droppers, we feature over 50 distinctive stores and boutiques. And just when you think you've got it all planned perfectly, your guests will run into a fabulous live street performance and happily miss their afternoon activities altogether. It happens. There are delightfully unexpected surprises around every corner. Yet another reason why Colonial Williamsburg wins the event industry's most prestigious awards year after year.

Not only is it easy to get around once you're here, it's even easier to get here. There are three international airports nearby. And since Colonial Williamsburg is located between Richmond and Norfolk on I-64, traveling by car is just as simple.

Flexible event space and budgets. Lots of lodging options. Plenty of incredible restaurants and world-class attractions — all within walking distance. And we're easy to get to. Your next event here will practically plan itself.
