* Data gathered from most recent proxy, including salary data. Some women were recently appointed and their names will not appear on the company's proxy until next year. Other women, although senior-level executives, are not among the top executives named on a proxy and thus salary information was not available.

** CGI is based in Montreal, Canada, and its proxy does not include an estimate of total compensation.

The companies reviewed are Virginia based (or have large operations here) with annual revenue of more than \$1 billion.
