Richmond**The Jefferson:
An extraordinary setting for flawless meetings**

When The Jefferson Hotel opened in 1895, Major Lewis Ginter realized his dream of creating a hotel that would rival any of Europe's grand hotels. From the glass-domed Palm Court lobby to the dramatic marble steps and massive columns of The Rotunda, no other hotel provides a more impressive stage for your important event. And few others provide the level of gracious and efficient service extended by the staff of this award winning hotel.

A convention services manager will personally assist you with every aspect of your event — from the details of the program as they will be executed within the hotel to off-site requirements, including excursions and ground transportation. An in-house audiovisual management staff is available 24 hours a day to provide a full range of services, including teleconferencing, closed-circuit broadcasts, multimedia presentations, editing and postpro-

duction services.

The Jefferson is also known for its exceptional dining. Private dining is available in both Lemaire and TJ's restaurants, as well as in any of the 19 event spaces. Our executive banquet chef will personally assist with customized menus to suit the needs and preferences of your group.

Overnight guests of The Jefferson enjoy elegantly appointed guestrooms and luxurious amenities. Complimentary services include high speed wireless internet access, downtown transportation, fitness facility and indoor pool access, evening turndown service and newspaper delivery. Guests will also appreciate flawless concierge services and 24 hour in-room dining.

The unmatched combination of elegant facilities, luxurious accommodations, exceptional service and spectacular dining assures an unforgettable experience at The Jefferson Hotel.
