With a \$25 million transformation now complete, The Omni Homestead Resort is better than ever. An expansive new Spa, along with new restaurants and amenities enhance the experience at this award-winning, historic resort. All of this, combined with an array of recreational activities, innovative programs and a team of dedicated hospitality professionals, create a meeting destination unlike any other.

Surrounded by the breathtaking Allegheny Mountains, The Omni Homestead offers a range of flexible group venues, both indoor and out. On-site resources provide extensive planning services, the latest audio/visual technology and a menu of catering options.

Invest in the future of your organization with innovative teambuilding exercises such as The Omni Homestead's challenging ropes course

and climbing tower. Your team will be re-energized with custom programs created from the resort's 30+ recreational amenities which include golf, shooting club, fly fishing, Segway tours, falconry and skiing.

Then savor the delicious menus of the resort's many restaurants, from the traditional Main Dining Room to the casual, yet elegant Jefferson's and the relaxed Sam Snead's Tavern. Numerous venues are available for private gatherings such as an executive breakfast or a themed gala for groups of 10 to 1,000. Take a break from meetings and enjoy a flavorful and informative Gourmet Safari, a three-part journey through The Homestead's kitchens.
