

VIRGINIA AQUARIUM
Virginia Beach

Hampton Roads - Southside

Make a splash with your next event

The Virginia Aquarium & Marine Science Center is your company's unique venue destination. The Aquarium is making a splash as the most distinctive meeting and event venue in all of Virginia, offering both indoor and outdoor event spaces with truly amazing and immersive settings.

Present your next big idea, have a shareholder meeting, or host a brainstorming session in the fully-equipped Marsh Pavilion Interactive Theater, which offers an audiovisual system with a retractable screen. Or, host your next power meeting in the intimate Komodo Boardroom overlooking Owls Creek - a collaboration-inspiring setting. For larger groups, impress your clients and colleagues with breathtaking views of the Promenade Room, also with state of the art audiovisual capabilities.

A new addition is The Adventure Park at Virginia Aquarium, which provides rope course and zip line team-building opportunities with add-on executive packages.

Planning a corporate outing or gala? Consider the beautiful outdoor picnic space for your next company barbeque, which is conveniently located near The Adventure Park and Marsh Pavilion. Better yet, rent out the entire Aquarium to host your company's next party where even a movie on a six-story screen can be part of the evening entertainment. Guests will be amazed as they are served cocktails in the Restless Planet gallery and perhaps enjoy dinner amongst the sharks!

The Virginia Aquarium is located one mile south of the oceanfront resort area in Virginia Beach at 717 General Booth Blvd.

For further information about the Aquarium please call (757) 385-0306, or visit VirginiaAquarium.com.
