

THE OMNI HOMESTEAD RESORT Hot Springs

Shenandoah Valley

Offer meeting goers a true escape

With nearly two and a half centuries of hospitality and over 125 associates with 25 years of service or more, The Omni Homestead offers a warm, inviting setting for meetings and events of 10 to 1,000. Located on 2,300 acres in the scenic Allegheny Mountains, this renowned destination features 100,000 square feet of indoor and outdoor meeting and event space and more than 30 recreational amenities.

Surrounded by breathtaking mountain vistas, The Omni Homestead offers a range of flexible group venues, both indoor and out. On-site resources provide extensive planning services, the latest audio/visual technology and a menu of catering options. Many of the resort's culinary offerings feature meat, dairy, fruits and vegetables from regional farms, most within an hour's drive of

Hot Springs.

Innovative teambuilding exercises such as Fire Quest, Catapult to Success and the Ultimate Relay Race provide a fun way to energize any group gathering. Many of these custom programs are created from the resort's existing recreational activities such as golf, shooting club, fly fishing, Segway tours, falconry and skiing. Another popular option is the flavorful and informative Gourmet Safari, a three-part journey through The Omni Homestead's kitchens.

As a member of the Omni family, The Omni Homestead also offers the benefits of Omni Select Rewards. Through this program, qualified meetings receive rewards such as gift cards, master account credits, professional development and charitable donations.
