The Omni Homestead  
*Hot Springs***Meet at America's first resort**

Ten years before our country was founded, The Homestead opened its doors as a humble, 18-room lodge. Since then, the resort has evolved, sharing milestones with America and memories with generations of travelers. In 2016, The Omni Homestead will celebrate its 250th year as America's first resort. Located on 2,300 acres in the scenic Allegheny Mountains, this iconic destination features 100,000 square feet of indoor and outdoor function space and is ideal for groups from 10 to 1,000.

To mark this significant anniversary, the resort is offering a weekday meetings package on select dates for only \$250 per person for groups with a minimum of 15 rooms. The package includes two nights' accommodations and complimentary meeting space. In addition,

specially priced event enhancements such as fireworks, a moon balloon and historically-themed menus are available.

Innovative teambuilding exercises such as Fire Quest, Catapult to Success and the Ultimate Relay Race provide a fun way to energize any group gathering. Many of these custom programs are created from the resort's existing recreational activities such as golf, shooting club, fly fishing, Segway tours, falconry and skiing. Another popular option is the flavorful Gourmet Safari, a three-part journey through the resort's kitchens.

The Omni Homestead also offers the benefits of Omni Select Rewards. Through this program, qualified meetings receive rewards such as gift cards, master account credits, professional development and charitable donations.
