

## SHENANDOAH VALLEY

The Omni Homestead  
*Hot Springs***An unforgettable destination**

A location steeped in tradition. Mountain views as inspiring as they are breathtaking. Hospitality so genuine, it seems woven into each associate's DNA. Flavorful culinary options to please the most discriminating of palates. Experiences and adventures that challenge and delight. All of this and more is what makes The Omni Homestead a destination unlike any other.

This iconic property is situated on 2,300 acres in the Allegheny Mountains of southwestern Virginia. The resort features 483 guest rooms and suites, 100,000 square feet of indoor and outdoor function space and is ideal for groups from 10 to 1,000.

Whether an association annual meeting, corporate retreat or rewarding incentive trip, The Homestead offers the facilities and amenities to create a successful and memorable event. Innovative teambuilding exercises such as Omni Top Shot, Catapult to Success and the Ultimate Relay Race provide a fun way to energize any group gathering.

Many of these custom programs are created from the resort's existing recreational activities such as golf, shooting club, fly fishing, Segway tours, falconry and skiing.

The resort also features a luxurious and expansive Spa with an adults-only Serenity Garden and Allegheny Springs, a two-acre water attraction with a lazy river, water slides and family pool. The Ridge Runner Zip Tour and Red Tail Racer

dueling zip line are the resort's newest amenities. The Omni Homestead also offers horseback riding, carriage rides, mountain biking, the Cascades Gorge Hike, and an 18-hole miniature golf course.
