

## Experience the vibrancy of Norfolk

Named one of 50 Best Places to Travel in 2017 by a well-known travel publication, Norfolk is a city with vibrant entertainment and culture, delicious cuisine and 144 miles of beautiful shoreline. This spring the city welcomed a new hotel and major renovations will take place at other properties by year's end. The new Waterside District, a dining and entertainment district, located on the Elizabeth River, opened this summer as well as new retail outlet shopping and restaurants.

Groups staying in Norfolk are accommodated in a wide variety of hotels, most of which are located within walking distance of the city's downtown meeting venues, shops, restaurants, attractions, and nightlife options.

When your meeting is over, dine Norfolk's chef-owned restaurants. Norfolk's Granby Street, also known as "restaurant row," and the historic Ghent neighborhood are teeming with talented chefs and ambitious res-

taurateurs. The city offers everything from Vegan fare to a highly lauded seafood selection to culinary offerings from around the world. Sign up for one of Norfolk's fabulous culinary or pub tours!

Also take time to enjoy the city's attractions, historical landmarks, trendy neighborhoods, local breweries and Virginia's first & only urban winery! Norfolk has a unique art scene including the NEON (New Energy of Norfolk) Arts District, the nationally-renowned Chrysler Museum of Art and the Chrysler Museum Glass Studio.

History enthusiasts can tour the Douglas MacArthur Memorial, the final resting place for General Douglas MacArthur and his wife, and Naval Station Norfolk, the world's largest naval base. Norfolk is also home to Battleship Wisconsin, one of the largest battleships in the world, which is docked in the city's picturesque harbor and served in both World War II and the Gulf War.
