The Cavalier: A luxurious meeting space

Typified by exquisite plaster ornamentation atop columns which appear to scrape the sky, The Cavalier has stood sentinel over Virginia Beach for almost a century. The hotel's rich history reads like a gripping novel culminating in a rebirth and restoration. Today, The Cavalier is dripping with opulence and grandeur, offering unmatched amenities, unparalleled personal service and unsurpassed sophistication. Whether lounging poolside and taking in ocean views, or hosting your next grand occasion... the answer is to Stay Cavalier.

Inspired meeting and event spaces in Virginia Beach

The beautiful event spaces are high-style settings for memorable meetings and special events. The magnificent Grand Ballroom adds warmth and glamour to every affair. Two private meeting rooms, both as stunning in detail, provide flexibility and technology for your connections and gatherings.

Loggias and lush garden spaces are also available. Cutting edge audiovisual equipment, catering and event planning services ensure your event at The Cavalier is the toast of the East Coast.

Amenities

The first and only distillery inside a hotel, Tarnished Truth Distillery, is located on the bottom floor of The Cavalier, allowing guests to sample a superb portfolio of liquors, featuring the signature Old Cavalier Bourbon, a High Rye Whiskey, and small batch AVA Vodka. Be sure to schedule a private Distillery Tour and tasting, you will not regret it.

The Hunt Room, adjacent to the distillery, is an intimate tavern-style restaurant and bar, serving elevated, yet simple rustic fare and hand-crafted cocktails from the Tarnished Truth portfolio, beer and wine.

Located just off the grand lobby, on the first floor, Becca boasts fresh farm-to-fork American fare with locally sourced

ingredients and a sumptuous outdoor garden setting. Then there's Raleigh Room, situated just opposite Becca, which effortlessly blends modern style and classic Southern charm in a new interpretation.

When it's time to relax and unwind, SeaHill Spa is located on the lower level of The Cavalier. The full-service salon and spa provides a range of treatments, marrying traditional services with modern methods and amenities.

Unique group experiences

When rich amenities and luxurious meeting spaces aren't quite enough, or if you're simply looking for a unique opportunity to build team cohesion, The Cavalier appeals to artists, historians, adventurers and epicureans with on and off-site escapes, allowing for something outside of the typical beach conference or retreat. Go ahead, create unforgettable memories for your group guests.
